

Commercial Water and Sewer Rates

City of Woodland Park

Effective April 1, 2023

In 2003 Woodland Park implemented an inclining block rate structure to encourage water conservation. With the inclining block rate structure the price per thousand gallons of water increases as usage increases. Water is billed in one thousand gallon increments upon customer's use of each full thousand gallons. Utilities are billed monthly and each billing period is either 4 or 5 weeks long. Following is an example of how the inclining block rate structure works:

Example - Commercial Customer (inside city limits) Using 60,000 Gallons
(only the monthly water usage charge is shown)

first 12,000 gallons (1,000 - 12,000)	\$8.73/1,000 gal.	\$104.76
next 18,000 gallons (13,000 - 30,000)	\$9.50/1,000 gal.	171.00
next 24,000 gallons (31,000 - 54,000)	\$10.89/1,000 gal.	261.36
last 6,000 gallons (55,000 - 60,000)	\$13.88/1,000 gal.	<u>83.28</u>
Example - water usage portion of bill		\$620.40

Please call 686-9680 with utility billing questions.

Monthly Commercial Water and Sewer Rates				
Effective April 1, 2023				
			Inside City	Outside City
Water	• Monthly Usage Charge	Block 1: usage above 0 & up to 12,000 gals.	\$8.73/1000 gals.	\$17.46/1000 gals.
